

2020 FLIGHT GUIDE

BEFORE YOU GO

- Download your airline's mobile app
- Review the pre-flight email from your airline
- Eat a nice meal before heading to the airport
- Review government travel mandates and any destination entry requirements

PACKING YOUR CARRY-ON

- Bring a mask or face covering
- 12 oz bottle of liquid hand sanitizer is permitted
- Pack a snack (consolidate in clear baggy)
- Pack light (air crew cannot assist you with onboard luggage)

AT THE AIRPORT

- Wear your mask or face covering
- Utilize touchless protocols where possible by using mobile app instead of paper documents, listening for new touchless instructions, etc.
- Be mindful of social distancing markers
- Utilize hand sanitization stations

ON THE PLANE

- Wear your mask or face covering
- Be mindful of unnecessary touchpoints
- Be considerate of fellow passengers
- Enjoy your flight!
